Term 3 2024

Coaches Update

Another great term completed! We have had such an incredible term with our aggregates. Attendance has been up and so many Personal Bests have been achieved again. We've now implemented a medal system so the kids will have that extra motivation and something to show for all their hard work! Congratulations to those who have already achieved a medal. Keep up the great work

Coming into warmer months we're hoping to continue growing as a club so if you have a friend who loves swimming or a sibling who is interested please bring them along! Dont forget you can track your swimmers times in swim central.

See you all next term - Kirra.
